

**Figure 1:** The time intervals of diastolic filling velocities where were obtained from the tips of mitral leaflets by CEI.

Green Arrow: Left ventricle (LV), red arrow: left atrium (LA), blue arrow: right atrium (RA), yellow arrow: right ventricle (RV).

**Figure 2:** The time intervals of TDIE diastolic velocities where were obtained from the mitral lateral wall annulus.

Green Arrow: Left ventricle, red arrow: left atrium, blue arrow: right atrium, yellow arrow: right ventricle.
