Dear Dr. Kelemen,

I am writing to confirm that you have permission to modify figures originally published as part of the *Proceedings of the Oman Drilling Project* and to republish them in the *Journal of Geophysical Research*. The *Proceedings of the Oman Drilling Project* is published with the following copyright notice:

“Except where otherwise noted, this work is licensed under the Creative Commons Attribution 4.0 International (CC BY 4.0) license (<https://creativecommons.org/licenses/by/4.0/>). Unrestricted use, distribution, and reproduction are permitted, provided the original author and source are credited.”

Please include attribution of the original author and source as provided in the Citations section of the Publisher’s notes in the Oman *Proceedings* at <http://publications.iodp.org/other/Oman/OmanDP.html>.

If we may be of any further assistance, please do not hesitate to contact us.

Best wishes,

Patrick H. Edwards  
Supervisor of Production  
[edwards@iodp.tamu.edu](mailto:edwards@iodp.tamu.edu)  
for the Publications Department of the *JOIDES Resolution* Science Operator,  
International Ocean Discovery Program
